

CAPS PROPOSAL
October 31, 2008

Correctional Facility Designation (New)

The Department of Personnel Administration agrees to effectuate the documents necessary to designate the following classifications with a (Correctional Facility) designation to be utilized by the Departments of Corrections and Rehabilitation (CDCR) and Mental Health (DMH).

BH94 Hazardous Materials Specialist
BH93 Associate Hazardous Materials Specialist
BH92 Senior Hazardous Materials Specialist
IC61 Assistant Industrial Hygienist
IC62 Associate Industrial Hygienist

If any of the above classifications are revised, or a new scientific class proposed and will be utilized by the CDCR, the new classification shall include the (Correctional Facility) designation class option.
